ANNOUNCEMENTS

The Leadership Team has and continues to do what we think is best for the congregation. With that in mind, we would like to provide the following updates and clarifications. At this time the Church is 100% open for all in person activities and worship. As the CDC updates regulations on wearing of masks and social distancing, the Leadership Team would like to remind the congregation that we have never required anyone to wear a mask. The position the Leadership Team has taken has been and continues to be "We encourage you to wear a mask based on your individual circumstances". Please evaluate your own individual situation and continue to do what you feel is best.
